

# PERSONALISED BAPTISM CANDLES

We produce beautiful personalised candles for the Baptism ceremony. These candle designs are a traditional handcraft, using techniques and materials originally sourced from the German tradition.

Southern Cross Church Supplies has been producing these designs for 25 years, under the original inspiration and work of Ingrid Fastner. The designs are either hand painted, or a combination of wax materials and painting.

The complete range of candle designs is displayed in the pages below.

Please note that we need a minimum of 10 days' notice for a personalised order, as the work is done off site.

The Price List is on the **final** page of this catalogue. The prices are determined according to the following criteria:

- the nature of the design
- the number of names on the candle
- the size of the candle(s) selected by the customer
  - The sizes of the candles are given in inches and the millimetre equivalents.

Also, to **place an order** and to receive a definite price, please **contact us** by telephone or email so that we can obtain all the details for the candle. This is just in case the customer is unsure exactly how to calculate the price, and especially because we need to make **certain** that all specifications and the correct spelling of names are obtained.
